Aadhaar 2.0

USHERING THE NEXT ERA OF **DIGITAL IDENTITY** AND **SMART GOVERNANCE**

23rd-25th NOVEMBER 2021
VIGYAN BHAWAN, NEW DELHI

ABOUT THE WORKSHOP

UIDAI under aegis of MeitY is convening the workshop series "Aadhaar 2.0 – Ushering the Next Era of Digital Identity and Smart Governance". This event will provide a platform to share and exchange ideas with Government and Industry leaders, Eminent Academicians and Scientists, Innovators and Practitioners working on Digital Identity in India and abroad.

The workshop will provide an opportunity to feed into the regional and global debates, while reflecting on India-specific challenges and opportunities to share best practices in terms of people, processes, technology, research, regulatory framework, legal policy and governance.

After over a decade of Aadhaar entering into our lives as the most trusted identity, we at UIDAI couldn't be more excited to start the next phase of evolution in the identity space, aiming to simplify many aspects of the digital economy.

Here are just a few of the themes we are looking forward to:

- Reflect on the Aadhaar as a Trusted ID to provide a platform and means to deliver innovative digital solutions

- Discuss how Aadhaar can strengthen and simplify its service delivery

- Evolve and Transition towards a shared understanding of digital ID with special focus on Social Inclusion
