

MSU Contactless Child PalmDB Release Agreement

PRIP Lab, Michigan State University

December 20, 2022.

The MSU Contactless Child Palm Database (MSU Child PalmDB) is released only for research purposes. Please read, sign and submit this agreement before getting access to this database.

Regulations

Users must adhere to the following requirements when using this database:

- Without the permission of MSU PRIP lab, any of, but not limited to, the following actions will be considered unacceptable: redistribution and modification of this database, in any way or form, either entirely or partially.
- As to acknowledgement, any publications using this database should acknowledge MSU Child PalmDB by citing the following reference: Jain, A.K., Godbole, A., Bhatnagar, A. and Sudhish, P.S. Child PalmID: Contactless Palmprint Recognition. *arXiv preprint arXiv:2212.07299*, 2022.
- All users of this database agree to indemnify, defend and hold harmless MSU and its officers, employees and agents, individually and collectively, from any and all losses, expenses and damages. If any, users shall pay all damages, claims, judgments or expenses caused by misuse of MSU Child PalmDB.

Your agreement

By providing the information below, you have accepted the aforementioned requirements for the use of this database. Please send the scanned copy of this agreement to: Akash Godbole (godbole1@msu.edu). After your application is approved, you will be emailed a download link of the database, which will be valid for 72 hours.
