MSU SpoofGAN Dataset Release Agreement

The MSU SpoofGAN Dataset is released only for research purposes. Please read and sign this agreement to the following regulations before getting access to this database.

Regulations

Users must obey the following regulations when using this database:
- Without the permission of MSU PRIP lab, any of, but not limited to, the following behaviors will be considered illegal: redistribution, modification, commercial usage of this database, in any way or form, either entirely or partially.
- As to acknowledgement, any publications using this database should acknowledge the MSU SpoofGAN database by citing the following reference:
  - S. A. Grosz and A. K. Jain, "SpoofGAN: Synthetic Fingerprint Spoof Images," IEEE Transactions on Information Forensics and Security, 2022.
- All users using the database agree to indemnify, defend and hold harmless MSU and its officers, employees and agents, individually and collectively, from any and all losses, expenses, damages. If any, users shall pay all damages, claims, judgments or expenses caused by misuse of the MSU SpoofGAN database.

Your agreement

By filling out the blanks below, you have accepted the rules above. Please send the scanned
copy of this agreement to: groszste@msu.edu. After your application is approved, you will be
emailed a download link of the database, which will be valid for 72 hours.

Name (should be the supervisor/PI of the research lab):
